

You are invited to the
Lyons Regional Library District's

FUTURE BUILDING OPEN HOUSE

Please join us on Monday, May 23, 2016 for our Future Building Open House. This casual and informative community participation event will showcase key components of the project's preliminary draft plans and provide an opportunity for public review and input. All ages are welcome.

Project team members will make brief presentations at 11am, 3:30 pm, and 5:30 pm, but feel free to stop by our event's location at the Oskar Blues Meeting Room any time between 11am and 7pm. Team members and materials will be available throughout the entire day.

Input received during the Open House will be used to update the draft business plan before it is incorporated into our preliminary USDA Construction Loan Application Request. For those who can't come on May 23rd, a link for online comments is being developed and will be live May 16th.

This project represents a significant cultural and economic addition to the Greater Lyons Area. We very much hope to see you there--your voice matters!

Sincerely,
Kathleen Crane, *Trustee*
