

# GARDEN IN A BOX

Beautiful Landscapes  
Made Easy

## Low-Water Perennial Gardens Deliver Big, Beautiful Savings

**Garden In A Box**, a selection of professionally designed, perennial gardens that use xeric (low-water) plants, offers residents a simple approach to an eye-catching yard.

These do-it-yourself garden kits feature 14-32 **locally grown starter plants**, 1-3 professionally designed **plant-by-number maps**, and a comprehensive **plant and care guide** that makes you an instant planting pro. Whether you are looking to redesign a portion of your yard, **attract bees and butterflies**, or simply increase your curb appeal, **Garden In A Box makes it easy!**
