10. Notes from Betsy about Art @ River Bend

*Hi Melinda'*

*I went to the first meeting for the 2019 event yesterday and also explained that I had resigned from the LAHC and that there would probably be a new person taking my place representing LAHC with this event. I also said that I would be glad to help in any way I can.*

*The conversation mostly centered on a review of last year and ideas for this year.*

*You can share these notes at your next meeting:*

Date: Sunday 8/25/19 from 12-6

Last Year-

- \*event was "OK"- some artists didn't seem happy with their sales
- \*parking situation was better, some peeps complained (let them in free)
- \*Appreciated all volunteer help, they gave a shout out to Arielle!
- \*"Cured"- love to have them again with some sort of revenue from sales going to event
- \* High wind gusts made people nervous- need for emergency preparedness plan for Rain/wind etc.
- \* Tried serious "fine art" side---maybe need to change that

Ideas for 2019-

- \*Need more fun, more people, less serious, more activities, more crafty, more kid stuff
- \* Perhaps a collaboration with Boulder "Firefly" event- Crystal & Charlotte will contact them and have a conversation
- \* Perhaps change art payment and fees related to event:  
Perhaps artist would use squares and collect 100% on their sales in exchange for higher booth fee as this would save time and energy for BCAA both on day of event and calculating all funds and writing checks for the weeks after the event
- \*BCAA & LAHC would still get revenue from higher booth fee, parking, and alcohol sales.... they are generating figures to make comparison between charging 60-80 booth fee vs. 30% from artist in past
