Subject: Putting the announcement of the 8th Lyons International Film Festival on the downtown Lyons Marquee
Please describe below, in as much detail as possible, information concerning the item you wish to present before the Lyons Board of Trustees. If the BOT has all the information needed, they can make a decision or render an opinion in a much more expeditious manner. Your appearance is required in order for the BOT to make a decision.
Presentation: Hello TOL. The 8th Annual Lyons International Film Festival is April 29-30. The Lyons International Film Festival started in Lyons in the Spring after the flood. It was an event to bring the community together. This annual event was not in person the past 2 years because we were virtual due to the pandemic. It is live and in person this year and will be at The Prickly Pear. It is open to the public of course and mainly for the Lyons Community to enjoy. I am offering a Friday night family night for \$5 intro for people and kids to see 2 film blocks. It is also being screened all day Saturday April 30 from 10 am until 7:30. A senior block starts off the day at 10 am and a senior discount is offered as well as a student discount. There is a current 2 for 1 special going on also for all access purchases before April 2. In the past years the Lyons Film Festival has been on the marquee as an announcement and I was hoping this year we could do the same. It is OK if we cannot. We still encourage Lyons seniors to come and enjoy the festival and for families . Kids under 13 are free with a paying adult. Thank you Jackie Brennan
