

2022-2023 Priority Setting Worksheet

What are Lyon's five major attributes?

List three good things that have happened in Lyons since you've lived here.

What would you like to see happen next?

What could be working more effectively or should be changed in Lyons and its services to the community?

What is holding the community back from being all that it could be? (Identify weaknesses and issues, policies or codes)

What do people see when they drive into Town? How could we improve our visual image?

What did you see/ hear on the Town tour that you would like to change?

If anything was possible and resources were available, what should Lyons do or acquire?
