ORDINANCE
 MOTION / RESOLUTION
 INFORMATION

- I. **REQUEST OR ISSUE:** The current COVID Emergency Resolution 2021-62 expired on October 4, 2021. The Board of Trustees may choose to amend this resolution to allow for continued flexibility regarding hybrid meetings, capping large group gatherings, and indoor gatherings, as well as the flexibility to make decisions as needed based on public health and safety.
- II. **RECOMMENDED ACTION / NEXT STEP:** Staff recommends that the BOT adopt Resolution 2022-55 extending the COVID declaration with minor adjustments.
- III. **BACKGROUND INFORMATION:** Despite a significant decline in serious Boulder County cases, the COVID pandemic has taken 1,000,000 US lives since its presence in the United States. This resolution would allow for flexibility regarding meeting in person, size of crowds, and ability to react quickly to changing conditions as they may occur.

Motion: "I move to approve Resolution 2022-55 extending the Covid Emergency Declaration through September 2022."
