

CMEX Comment Form

Board or Commission: Parks and Recreation Commission

Top Three Concerns from Board and Commission Perspective:

- #1. Meeting Boulder County's emissions goals and keeping environmental standards high, for example grant monies may be at risk.
- #2. Lack of confidence that Cemex will honor its long term or short term commitments to the community or environment
- #3. Potential impact on regional trail and open space opportunities for the future. Promises may not be kept.

Suggestions or Conditions that Board and Commission would like to offer:

- #1. Meaningfully involve the town of Lyons in future permit extension discussions/negotiations.
- #2. Update existing environmental standards to include a higher percentage of renewable energy and ensure strict compliance with Boulder County climate goals and timetables.
- #3. If any extension is granted, short or long term, CEMEX will provide full and complete funding for trail and park improvements desired or planned by the town of Lyons within our state mandated planning area.
