Subject: Cemex plant

Hello,

My name is Liz Schnabolk and I live at 355 McConnell Drive. I'm writing to say that I am dismayed at the plans for Cemex to continue mining for 15 more years. I'm concerned that they will continue to pollute our air and I would like the town to do whatever it can to stop the company from operating right over the ridge from where so many of our children live, play, and go to school. In addition, if a deal is eventually reached to turn it into open space I would like part of the deal to be that the factory/building is take down so that we don't have to look at it crumbling for 30+ years.

Thank you for taking on this difficult topic, I truly appreciate your service to our town!

Thanks,
Liz Schnabolk
