
Sec. 6-1-120. Suspension or revocation of license.

The Board of Trustees may initiate a hearing to consider a temporary suspension or revocation of a license upon seven (7) days' written notice to a licensee stating the contemplated action and the grounds for the temporary suspension or revocation. After a reasonable opportunity to be heard, the Board may temporarily suspend or revoke any license issued by the Town if it finds that:

- (1) The licensee has failed to pay the annual license fee for the current or any prior year or has failed to pay any penalties or other amounts owed to the Town relating to prior license years;
- (2) The licensee has failed to file any reports or furnish any other information that may be required by the provisions relating to the specific license;
- (3) The licensee has violated any of the terms of the provisions pertaining to their license or has violated any local, state, or federal law, regulation, or order which relates to their license, including, without limitation, any failure to pay taxes or perform a payout agreement relating to the payment of taxes; or
- (4) Any fact or condition exists which, if it has existed or had been known to exist at the time of the application for the license, would have warranted the refusal of the issuance of the license.

If any Section this Chapter or provision state law contains a specific procedure for suspension or revocation for a particular type of license, those specific provisions shall control where in conflict with the requirements of this Section.
