Subject: Letter of Support for Nederland and Lyons  
Local Planning Capacity (LPC) Grant Application (Joint Housing  
Coordinator)

Dear Robyn,

The Board of Trustees of the Town of Lyons, are writing this letter to express our support for the LPC grant application submitted by the Town of Nederland, for a joint Nederland and Lyons Housing Coordinator position. This initiative aligns with our commitment to enhancing affordable housing availability and addressing critical housing needs within our communities and region.

As outlined in the grant application, the project's scope demonstrates a comprehensive strategy to effectively manage and collectively implement affordable housing initiatives. Hiring a Housing Coordinator will significantly enhance our area's capacity to achieve the goals of Proposition 123, streamline processes, and engage stakeholders in meaningful ways.

We commend the collaborative efforts between the Towns of Nederland and Lyons and the regional partnerships with Gilpin County, Boulder County, and other key stakeholders. This collaborative approach ensures a holistic and coordinated effort to address housing challenges and maximize the impact of the grant funds.

Furthermore, the detailed plans for community and stakeholder engagement demonstrate a commitment to inclusivity, transparency, and responsiveness, essential elements for the success and sustainability of our affordable housing initiatives.

The Nederland and Lyons Local Planning Capacity (LPC) Grant Application for a Housing Coordinator position is a creative solution aligned with our community's priorities.

Thank you for considering our letter of support. Should you need further information or clarification, please reach out.

Sincerely,

Mayor Hollie Rogin
