Subject: For PCDC packet: List of supporters (business owners and residents)

Hello Delores,

Please find below a list of business owners and residents who **support the River Bend project application**. This is in addition to those provided previously in a Chamber of Commerce letter. (That letter is already included in the packet.)

We are excited to see that so many business owners and residents recognize the value that River Bend will bring to Lyons. Collaboration is everything!

Would you please confirm that you are able to include this in tomorrow evening's meeting packet?

Thank you!

Kristin
