

Please pass on the following comments concerning the TEBO annexation referral request. At a regular meeting of the UEB on August 7, 2024 the following motion was unanimously passed.

**"The UEB recommends that the TEBO annexation agreement include water shares as defined in the Lyons municipal code or come back to the UEB for further discussion before passage. Also that the ditch water rights be transferred to the town."**

Thank You,

Jim Kerr

Town of Lyons

UEB Chair
