<p>Please describe below, in as much detail as possible, information concerning the item you wish to present before the Lyons Board of Trustees. Presentation:	DAVE WICKUM and I are home builders who own 7 lots in Lyons VALLEY PARK. To permit these lots we must dedicate 1 share of BIG T WATER ^{each} to Lyons. We recently bought 4 shares and we are negotiating to buy 4 more. Instead of buying these shares, would Lyons want to receive A CASH payment in Lick of the BIG T shares?
