Lyons Planning Commission,

This letter is sent in deep rooted support of the Summit Housing Group's proposal to build workforce housing in Lyons Valley Park. I grew up in Lyons and lived there during the flood. I stayed for many years after working for a few different local Lyons businesses. I have since had to move to Fort Collins in due to unaffordable housing in Lyons. If affordable housing were to be approved both myself and my partner would be eager to move back to my home town and contribute as workers of local businesses.

I love Lyons dearly and would be so thrilled at the opportunity to move back! I know there are so many more who feel the same. Please pass affordable housing!

Peace, Love and Lyons!  
Grace
