Subject: Support for Summit Housing Proposal
Date: Friday, March 6, 2020 1:55:00 PM

Hello Marissa,

I'm writing as a resident of Lyons in support of the Summit Housing proposal. We need more affordable housing options in Lyons (especially since the flood), and it's critical that we all work together to promote economic diversity in the community. I urge the Board of Trustees to support and approve this proposal.

Thank you,
