Good Morning,

Sadly, I cannot make the meeting tonight. However I wanted to voice my opinion about the 2 new developments of affordable housing, which is being addressed at tonight's meeting.

I am in favor of less housing for this small town of ours. I bought my home 20 yrs ago, and chose Lyons, as it was quiet, not busy, wildlife abound, and low density. As the years go by, our town suffers from more stop signs, more lines of unrelenting traffic, no space for summer picnics and no space for parking in our own parks, full classrooms at the elementary school, lack of parking for events small and huge. All of this is due to overcrowding. Adding the amount of houses proposed, will continue to turn Lyons into an Unappealing Lyons, CO.

Lyons has complained about lack of tourists stopping and shopping in our town.. adding this amount of houses contributes to an unappealing Lyons.

Thank you
