Re: Summit Housing Project

Hello,

This letter is in support of the housing development project submitted by Summit. I live in the neighborhood, on Welch Drive, and am happy to see this project FINALLY move ahead.

I have lived in this neighborhood for over 16 years and I welcome this addition to our neighborhood and support this project 100%. I am well aware there will challenges, but am confident with open communication and a clear common goal, we can see this through.

Thank you,
