In addition, the Contractor shall provide and perform all necessary labor in a first-class and workmanlike manner and in accordance with the conditions and prices stated in the Bid Proposal and the requirements, stipulations, provisions, and conditions of the Contract Documents and Design Documents, including Plans and Specifications, as defined in the attached General Conditions. The Contractor shall further perform, execute, construct, and complete all things mentioned to be done by the Contractor and all work covered by the Owner’s official award of this contract to the Contractor, such award being based on the acceptance by the Owner of the Contractor’s bid, or part thereof.

**4.00 LIQUIDATED DAMAGES:** All time limits stated in this Agreement and the Contract Documents are of the essence of the Agreement. The Town and Contractor recognize the completion of the work as shown in the contractual time frame, or as extended, is important to the ongoing operations of the Town and its citizens. They also recognize that delays include expenses to the Town for extended manpower commitments, outside consultant commitments, and potentially other legal fees to extend the project beyond the expected time period.

- If this box is checked, in lieu of requiring any such proof and backup for such expenses, Contractor agrees that liquidated damages (not penalties) may be assessed by the Owner in the sum of **\$250 per day** for each day after the contract time frame expires
- If this box is checked, in addition to or in lieu of the daily damages (if checked above), Contractor agrees that lump sum liquidated damages (not penalties) may be assessed by the Town in a lump sum payment of \$ \_\_\_\_\_ .00 if the work is not completed by \_\_\_\_\_, 20\_\_.

**5.00 CONTRACT SUM AND PAYMENT:** The Owner shall pay to the Contractor for performance of the Work encompassed by this Agreement, and the Contractor will accept as full compensation therefore the sum of: **EIGHTEEN THOUSAND EIGHT HUNDRED SIXTY-FIVE AND 50/100 DOLLARS (\$18,865.50)** subject to adjustment as provided by the Contract Documents (“Contract Price”). The Town has appropriated sufficient funds for completion of this Work.

- a. Monthly, partial, progress payments shall be made by the Town to the Contractor for the percentage of the Work completed, subject to inspection by Town staff to verify percentage of completion. The Town alone shall determine when work has been completed and progress payments shall not constitute a waiver of the right of the Town to require the fulfillment of all terms of this Agreement and the delivery of all improvements embraced in this Agreement in a complete and satisfactory manner to the Town in all details. The Town, before making any payment, may require the Contractor to furnish releases or receipts from any or all persons performing work under this Agreement and/or supplying material or services to the Contractor, or any subcontractor if this is deemed necessary to protect the Town’s interest. The Town, however, may in its discretion make payment in part or full to the Contractor without requiring the furnishing of such releases or receipts.
- b. By the 15th day of each month, Contractor shall submit to the Town for review and approval, an application for payment fully completed and signed by Contractor covering the work completed through the last day of the prior month and accompanied by such supporting documentation as is required by these

Contract Documents, including without limitation, time sheets, invoices, receipts, bills of lading, and all other documents the Town may require. **These invoices for payment should be emailed to ap@townoflyons.com or mailed to Town of Lyons, P.O. Box 49, Lyons, CO 80540.** Materials on hand but not complete in place may or may not be included for payment at the discretion of the Town. Each subsequent application for payment shall include an affidavit of Contractor providing that all previous progress payments received on account of the work have been applied to discharge in full all of Contractor's obligations reflected in prior applications for payment. Notwithstanding the progress payments, it is the intent and purpose of the Town to withhold at least five percent (5%) of payments to Contractor for any contract exceeding One Hundred Fifty Thousand Dollars (\$150,000.00) in accordance with Article 91, Title 24, C.R.S.

**6.00 ACCEPTANCE AND FINAL PAYMENT:** Final payment may be requested by the Contractor upon completion and acceptance, by the Town, of all work as set forth in the Contract Documents. The total amount of final payment shall consist of the Contract Price, as adjusted in accordance with approved change orders, if applicable, less all previous payments to the Contractor.

**7.00 MODIFICATIONS AND AMENDMENTS:** Should work beyond that described in the Contract Documents be required, it will be paid for as extra work at a cost to be agreed upon in separate written agreement by the Town and the Contractor prior to commencement of the additional work. Such additional agreements shall be executed and approved by all persons required by Town purchasing ordinances or policies. Unless specifically excluded, such written agreements shall be considered part of the Contract Documents.

**8.00 CONTRACTOR'S REPRESENTATIONS:** In order to induce the Town to enter into this Agreement, the Contractor makes the following representations:

- a. The Contractor has familiarized itself with the nature and the extent of the Contract Documents, Scope of Work, the locality, all physical characteristics of the area of the work within the Scope of Work, including without limitation, improvements, soil conditions, drainage, topography, and all other features of the terrain, and with the local conditions and federal, state, and local laws, ordinances, rules, and regulations that in any manner may affect cost, progress, or performance of the work, or apply in any manner whatsoever to the work.
- b. Contractor has carefully considered all physical conditions at the site and existing facilities affecting cost, progress, or performance of the work.

**9.00 INSURANCE:** Contractor agrees to procure and maintain, at its own cost, a policy or policies of insurance sufficient to insure against all obligations assumed by the Contractor pursuant to this Agreement. Contractor shall not commence work under this Agreement until it has obtained all said insurance required by the Contract Documents and such insurance has been approved by the Town. The Contractor shall not allow any subcontractor to commence work on this project until all similar insurance required of the subcontractor has been obtained and approved. For the duration of this Agreement, the Contractor must continuously maintain the insurance coverage required in this section, with the minimum insurance coverage listed below:

a. Worker's Compensation in accordance with the Worker's Compensation Act of the State of Colorado and any other applicable laws for any employee engaged in the performance of Work under this contract.

The policy shall be applicable to all premises and operations. of interests provision.

c. Comprehensive Automobile Liability insurance with minimum combined single limits for bodily injury and property damage of not less than One Million Dollars (\$1,000,000.00) each occurrence with respect to each of the Contractor's owned, hired and non-owned vehicles assigned to or used in performance of the Services. The policy shall contain a severability of interests provision. Such insurance coverage must extend to all levels of subcontractors. Equipment such as pumps, engine-generators, compressors, motors, switch-gear, transformers, panel-boards, control equipment, and other similar equipment shall be insured under Installation Floater insurance when the aggregate value of the equipment exceeds \$10,000. Any such termination shall be effected by delivery to the Contractor of a written notice (“**Notice of Termination**”) specifying the extent to which performance of the Scope of Work is terminated and the date upon which termination becomes effective. If the Agreement is terminated, the Contractor shall be paid on a pro-rated basis of work status satisfactorily completed, under the detailed Scope of Work. The costs and charges incurred by the Town, together with the costs of completion of the Scope of Work shall be deducted from any monies owed to Contractor.
