Subject: Public Comment About expanded camping footprint at Plant Bluegrass

Hello, I am a resident of AppleValley road and wanted to share that I do not support any larger footprint for camping at Planet Bluegrass. The impact these events have on the residents of AV are huge. The added traffic and noise and commotion is sooo much living here. The impacts ecologically on the river corridor ands wildlife are also very intense. I support local business but more is not better in my view.
Angie Francis 195 JJ Kelly Road
