

**Town of Lyons, Colorado
Board of Trustees
BOT Agenda Cover Sheet
Agenda Item No: IX.4
Meeting Date: 02/07/2022**

TO: Mayor Angelo and Members of Board of Trustees

FROM: Erika Archer, Grant Manager

DATE: January 27, 2022

ITEM: Resolution 2022-12 – A Resolution of the Town of Lyons, Colorado Ratifying the First Amendment to the Construction Agreement with Anderson Bridges, LLC for the 4th Ave Pedestrian Bridge and Connection SRTS Project

ORDINANCE
 MOTION / RESOLUTION
 INFORMATION

- I. REQUEST OR ISSUE:**
This resolution ratifies a previously executed Amendment to the Construction Agreement with Anderson Bridges, LLC for the 4th Ave Pedestrian Bridge Project.
- II. RECOMMENDED ACTION / NEXT STEP:**
Approve Resolution 2022-12.
- III. FISCAL IMPACTS:**
Expenses for this Construction Agreement are eligible for reimbursement through the Safe Routes to School Grant. This amendment does not incur an increase to the contract amount.
- IV. BACKGROUND INFORMATION:**

4th Ave Pedestrian Bridge, Trail Connections, and Street Improvements Project Scope:

Extreme rains during the incident period of September 11, 2013, overwhelmed the Town of Lyons and destroyed an existing pedestrian bridge at 4th Avenue, over the North St. Vrain Creek, as well as the adjacent creek bank. The Town has received HUD Community Development Block Grant – Disaster Recovery funds in addition to Safe Routes to School funding from the Colorado Department of Transportation to replace the pedestrian bridge and stabilize the adjacent creek bank. Additionally, safety improvements to sidewalks and streets north of the creek are planned to safely connect students from the north side of town to the south side of town, diverting them from busy, urban roads via the pedestrian bridge and connection.

Anderson Contract Scope:

This work consists of the design, fabrication, storage at the fabricator’s facility, and transportation for delivery of a single span, welded steel, truss pedestrian bridge with a treated timber plank deck and pedestrian railing, in accordance with the specifications and plan details. Specifics of delivery time and location shall be coordinated with the Town of Lyons representative and its general Contractor for the trail and bridge construction project.

About This Amendment:

Due to fabrication delays, the contractor has requested additional time to complete the scope of work. This amendment authorizes an extension until April 30, 2022, at no increase to the price of the contract.

This Amendment has already been executed by the Town Administrator on January 21, 2022. The Town’s Purchasing Policies allow the Town Administrator to authorize and execute professional services contracts for less than or equal to \$20,000, modification to agreements for less than or equal to \$10,000 and/or for date extensions. The Town Clerk has directed staff to present all Agreements executed by the Town Administrator for ratification by the Board of Trustees in order to enter them into the permanent record.

Contract Info: Anderson

Original Agreement:	\$139,600.00
<u>Amendment 1:</u>	<u>Date Extension << Current</u>
