Subject: Moss Rock Hotel Support

Hello Dolores,

Please provide the following letter of support of this project to the BOT:

Dear BOT,

As an 18 year resident of Lyons, CO, I see many benefits to the proposed hotel project. It appears they are being thoughtful to address issues that arise, including parking and appearance. I am very supportive of this project that will create an anchor business for our town and will help all businesses thrive.

Please register my support for this project.

Sincerely,

Diane Dandeneau
