Hey there! I'm a local of Lyons, CO, and very involved in the music community. I book the Thursday night MainGrass series, played Spring Grass at Planet Bluegrass last year, will be playing Rockygrass this year, and work at Moxie three days a week.

The music scene in Lyons is what brought me here and is what employs me. I'm in full support of the Planet adding more music series and expanding camping- it's what makes Lyons what it is, in my opinion.

Thanks for considering!
