**Subject:** Lyons Hotel

Dear Town of Lyons,

Good Morning. I cannot tell you the excitement that I experienced when I heard about the proposed hotel in Lyons.

I immediately began planning the possibilities to partner with my business and enhance the events that I spend so much time planning in your lovely town.

Speaking of, this is an amazing community. I have worked as an Event Planner at both the Lyons Farmette and River Bend since opening of the both venues.

The hardest part of my job typically is finding lodging that makes sense for my clients and meeting their guests needs. Wee Casa has been a huge success in this regard, but certainly availability is not ideal here. There is more demand than space.

The charm of Lyons is the intimate feel and close knit community spirit found throughout the town. The addition of a hotel to accommodate guests that are anxious to experience this atmosphere would bring an appreciable economic boost to the business and people of Lyons. I hope that you will give serious consideration to the advantages of having a new hotel added to your community and the economic boost that we could all garner through the approval of this project moving forward.

Thank you for listening,  
Heather O'Connell
