Subject: New Lyons Hotel

To Whom it May Concern,

I am writing as a local, Boulder-based wedding planner regarding the proposed hotel in Lyons.

A new hotel in the area would be such an incredible gift to our couples, our event guests, and to the local community. Weddings are big business in the area and we've never been busier. With so many people ready to celebrate and (safely) gather, we urge you to consider the benefits of a new hotel in the area. Not only would it bring business to local Lyons businesses, but it will continue to provide revenue year-round and establish Lyon's as a true destination for weddings and events. There is so much to appreciate about the local charm and character of Lyons and we are very excited about the possibility of new local lodging!

Thank you for your time and consideration.
