Lyons Town Trustees,

I have lived in Lyons for 54 of my 60 years. My parents grew up in Lyons, My father, grandfather and other relatives have served on town committees. My Great Great Grandfather, Hans Peterson homesteaded at the 36/66 junction. I have history here and Lyons is my town!

I am totally against this hotel, primarily the size. It's too big. It doesn't fit with our small unique downtown. It will be an eyesore. It will ruin Lyons. Lyons does need a hotel but it needs a boutique hotel or small cottage, not this size. I have seen a lot of change and for the most part, it has been good, please keep changes within reason. Please don't allow this size of hotel in downtown Lyons.

Thanks for your time,  
Linda England.
