RE: Letter of Final Acceptance for the Bohn Park Stormwater Improvement Project
[ACE Project No. COLYONS02.01]

Dear Victoria,

This letter serves as the Certificate for Final Completion for the Town of Lyons High Bohn Park Stormwater Improvement Project, with regard to the Construction Agreement between the Town of Lyons and DeFalco Construction (the "Contractor"), executed July 23, 2021. Based on site visits conducted by ACE staff, and construction management observations provided by JUB Engineers, the Contractor has completed the work in general conformance with the contract documents. As-builts of the construction drawings have been provided by the contractor in accordance with the contract requirements, and the Engineer has prepared Record Drawings dated November 2021. The Work to which this letter applies has been, to the best of my knowledge, inspected by authorized representatives of the Owner, Contractor and Resident Engineer, and the Work is found to be acceptable in accordance with the Contract Documents.

It is our recommendation that the Board of Trustees accept the public infrastructure installed as noted with a warranty period beginning on October 13, 2021, hence expiring at the end of the day on October 31, 2023.

Sincerely,
ANDERSON CONSULTING ENGINEERS INC.

Jamis Darrow, P.E., CFM
Project Manager
