ITEM: Resolution 2022-29 – A Resolution of the Town of Lyons, Colorado Approving an Amendment to the Boulder County IGA – One Year Extension

ORDINANCE
 MOTION / RESOLUTION
 INFORMATION

- I. REQUEST OR ISSUE:** This resolution authorizes a one-year extension to the Boulder County and Town of Lyons Intergovernmental Agreement to the Lyons Planning Area Comprehensive Development Plan
- II. RECOMMENDED ACTION / NEXT STEP:** Approve Resolution 2022-29
- III. FISCAL IMPACT:** There is no direct fiscal impact of extending the agreement.
- IV. BACKGROUND INFORMATION:** On May 15, 2012, the town entered into a ten-year Intergovernmental Agreement (IGA) with Boulder County for the planned use of the Lyons Planning Area. The intent of IGA was to continue to provide for the natural and well-ordered future development of the Town; to promote planned and orderly growth in the affected areas; to distribute fairly and equitably the costs of government services among those persons who benefit therefrom; to extend government, services and facilities to the affected areas in a logical fashion; to simplify providing utility services to the affected areas; to simplify the governmental structure of the affected areas; to reduce and avoid, where possible, friction between the Parties; and to promote the economic viability of the Parties.

The agreement was to be renewed before May 15, 2022. However, with the delay of the Comprehensive Plan, both parties feel it is vital to have the public input and visioning of the community's future prior to re-negotiating the IGA. This resolution would extend the IGA until May 15, 2023.

PROPOSED MOTION: "I move to approve Resolution 2022-29, a Resolution of the Town of Lyons Colorado Approving an Amendment to the Boulder County IGA – One Year Extension."
