Subject: "Death of the Pugilist" Town Marquee

Good morning Mayor Angelo,

On March 27 at 4 PM at our Middle/High School Theatre we will be presenting "Death of the Pugilist". This is a production created by MinTze Wu with significant support from the Lyons Arts and Humanities Council. This production will enhance Lyons reputation as a location for the fine and performing arts. The production will bring people to our Town for shopping and dining as well as show off our gorgeous new venue. As Chrystal and all of the LAHC work to create an arts district this wonderful musical will be a fabulous shot in the arm.

Would you please consider bringing up our request to have this event posted on the Town Marquee at the next Town Board meeting?

Yours,
Peter Baumgartner
