WHEREAS, in response to the Request for Quotes, the Town received quotes, including one from the Contractor ("Quote"); and

WHEREAS, the Town has reviewed the Quote from the Contractor for the completion of said work, and the Town finds said quote acceptable and deems it the lowest responsible and responsive quote received; and

WHEREAS, the Town desires to contract with the Contractor subject to the terms of this Agreement and all other Contract Documents.

NOW, THEREFORE, for the consideration herein expressed, it is agreed as follows by and between the Town and the Contractor that the Contractor shall perform the following:

THE PARTIES AGREE AS FOLLOWS:

1.00 SCOPE OF WORK: The Contractor will furnish all tools, equipment, machinery, materials, supplies, superintendence, insurance, transportation, other construction accessories, and services specified or required to be incorporated in and form a permanent part of the construction and completion of the work proposed to be done under this Agreement ("Work" or "Scope of Work"). The documents consist of without limitation, the following documents:

The Town and Contractor recognize the completion of the work as shown in the contractual time frame, or as extended, is important to the ongoing operations of the Town and its citizens. They also recognize that delays include expenses to the Town for extended manpower commitments, outside consultant commitments, and potentially other legal fees to extend the project beyond the expected time period.

- a. Monthly, partial, progress payments shall be made by the Town to the Contractor for the percentage of the Work completed, subject to inspection by Town staff to verify percentage of completion. The Town alone shall determine when work has been completed and progress payments shall not constitute a waiver of the right of the Town to require the fulfillment of all terms of this Agreement and the delivery of all improvements embraced in this Agreement in a complete and satisfactory manner to the Town in all details. The Town, before making any payment, may require the Contractor to furnish releases or receipts from any or all persons performing work under this Agreement and/or supplying material or services to the Contractor, or any subcontractor if this is deemed necessary to protect the Town's interest. Materials on hand but not complete in place may or may not be included for payment at the discretion of the Town. Each subsequent application for payment shall include an affidavit of Contractor providing that all previous progress payments received on account of the work have been applied to discharge in full all of Contractor's obligations reflected in prior applications for payment. Notwithstanding the progress payments, it is the intent and purpose of the Town to withhold at least five percent (5%) of payments to Contractor for any contract exceeding One Hundred Fifty Thousand Dollars (\$150,000.00) in accordance with Article 91, Title

6.00 ACCEPTANCE AND FINAL PAYMENT: Final payment may be requested by the Contractor upon completion and acceptance, by the Town, of all work as set forth in the Contract Documents. Such additional agreements shall be executed and approved by all persons required by Town purchasing ordinances or policies. Unless specifically excluded, such written agreements shall be considered part of the Contract Documents.

8.00 CONTRACTOR'S REPRESENTATIONS: In order to induce the Town to enter into this Agreement, the Contractor makes the following representations:

a. The Contractor has familiarized itself with the nature and the extent of the Contract Documents, Scope of Work, the locality, all physical characteristics of the area of the work within the Scope of Work, including without limitation, improvements, soil conditions, drainage, topography, and all other features of the terrain, and with the local conditions and federal, state, and local laws, ordinances, rules, and regulations that in any manner may affect cost, progress, or performance of the work, or apply in any manner whatsoever to the work.
