

**TOWN OF LYONS, COLORADO  
RESOLUTION 2020-91**

**A RESOLUTION OF THE TOWN OF LYONS COLORADO TO APPROVE THE SEVENTH  
AMENDMENT TO THE CONSTRUCTION AGREEMENT WITH WALSH CONSTRUCTION INC.  
FOR BOHN PARK PHASE II - PROJECT: PW20E-2**

**WHEREAS**, the Town of Lyons ("Town") has the authority to enter into contracts for any lawful municipal purpose pursuant to C.R.S. § 31-15-101; and

**WHEREAS**, the Town has secured funding for the Project from the Federal Emergency Management Agency (FEMA); and

**WHEREAS**, pursuant to Resolution 2017-146A, the Town and Contractor entered into that certain Construction Agreement dated December 5, 2017 ("Original Agreement") for Contractor to provide construction work for the Lyons Bohn Park Flood Recovery Project, Phase II (PW20E-2) as specified in the Contract Documents ("Project"), for a not-to-exceed cost of **TWO MILLION SIX HUNDRED FIFTY-FOUR THOUSAND FIFTY- TWO DOLLARS AND FIFTY CENTS (\$2,654,052.50).**; and

**WHEREAS**, Section 5.00 of the Original Agreement permits the Town to adjust the Contract Price, and Section 7.00 of the Original Agreement requires that the Town pay for work beyond that described in the Original Agreement in a separate agreement signed by both the Parties prior to the commencement of the additional work; and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **First Amendment** to the Original Agreement dated October 22, 2018 to extend the contract term to September 1, 2019 at no increase to the contract amount; and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **Second Amendment** to the Original Agreement dated April 19, 2019 to account for the project being put on hold due to environmental compliance and in order to remobilize at an adjusted fair market value and to add additional scope of work including the half pipe and skate plaza for an increase to the contract amount by **ONE HUNDRED ELEVEN THOUSAND SIX HUNDRED TWENTY FIVE DOLLARS AND SIXTY-THREE CENTS (\$111,625.63);** and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **Third Amendment** to the Original Agreement dated September 16, 2019 to extend the contract substantial completion date through December 31, 2019 at no increase to the contract amount; and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **Fourth Amendment** to the Original Agreement dated November 18, 2019 to extend the contract substantial completion date through May 30, 2020 at no increase to the contract amount; and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **Fifth Amendment** to the Original Agreement dated April 20,

2020 for additional materials to meet the 2015 building code adopted by the Town of Lyons in 2018, and to increase the size of the infield at an increase to the contract amount by **FIFTY-NINE THOUSAND TWO HUNDRED NINE DOLLARS AND TWENTY CENTS (\$59,209.20)**; and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **Sixth Amendment** to the Original Agreement to extend the contract end date to August 1, 2020 due to construction delays at no increase to the contract amount; and

**WHEREAS**, the Contractor requires another amendment to the Agreement for additional scope for a concrete dugout; intake structure; trail gates and fence entrance; a still well, piping and restoration; electrical for the pump house, and the construction of an interpretive sign and has submitted Change Orders Proposals as attached in **Exhibit 1** for a total increased amount of **SEVENTY-SIX THOUSAND NINE HUNDRED FORTY-FIVE DOLLARS AND SEVENTY-SIX CENTS (\$76,945.76)** as outlined in the Fee Schedule in **Exhibit A** for a new total not-to-exceed contract amount of **TWO MILLION NINE HUNDRED ONE THOUSAND EIGHT HUNDRED THIRTY-THREE DOLLARS AND NINE CENTS (\$2,901,833.09)** ("**Seventh Amendment**");

**WHEREAS**, the Town Board of Trustees desires to approve the Seventh Amendment to the Construction Agreement with the Contractor and authorizes the Mayor to execute such Seventh Amendment on behalf of the Town.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF LYONS, COLORADO:**

Section 1. The above recitals are hereby incorporated by reference.

Section 2. The Town Board of Trustees hereby:

- (a) Approves the Seventh Amendment in substantially the form attached as in **Exhibit 2**.
- (b) Authorizes the Town Administrator and the Town Attorney, in consultation with the Mayor, to make such changes as may be necessary to correct any non-material errors or language in the Seventh Amendment that does not increase the obligations of the Town.
- (c) Authorizes the Mayor or Mayor Pro Tem to execute the complete Agreement on behalf of the Town after Contractor has signed the Construction Agreement and the Town Clerk to attest to such signature.

Section 3. This Resolution shall take effect immediately upon adoption.

ADOPTED this 1<sup>st</sup> day of JUNE, 2020

TOWN OF LYONS

By: Nicholas Angelo  
Nicholas Angelo, Mayor

## **EXHIBIT 1**

### **Walsh Construction, Inc. Change Order Proposals**

## MINOR CONTRACT REVISION

Project No. **PW20E**

Contract Amendment No. 6

Date: 3/10/2020

Change Order No. 10

CMO TITLE: Reinforcement for Concrete at Dugouts/Shade Shelter (Walsh COP-019)

PROJECT: Town of Lyons - Bohn Park (Phase 2)

OWNER: Town of Lyons, Colorado  
Tracy Sanders

CONTRACTOR: Walsh Construction Inc.  
Brian Becker

### DESCRIPTION OF MODIFICATION

The contract documents did not include a design for the floor slab at the Custom Shade Shelter structure or dugouts at Bohn and Vasquez fields, the contractor proposed a design that included a 5" thick concrete slab with 6x6 WWF reinforcement throughout and (2) #4 continuous top and bottom rebar lapped around the perimeter of the 8" thickened edge of slab. The design was approved for use at the Custom Shade Shelter and dugout locations at both Bohn and Vasquez fields. The cost of the reinforcing steel was compared with 2019 CDOT unit bid cost data and fell below the average cost for Welded Wire Fabric and included the cost of the rebar. The cost of concrete for the design is included in a separate change order and was paid as Minor Contract Revision No. 07. This cost total for this revision will be paid as a Contract Amendment. See attached documents for breakdown of costs.

## MINOR CONTRACT REVISION

Project No. PW20E

Contract Amendment No. 6

Date: 3/10/2020

Change Order No. 11

CMO TITLE: Revised Intake Structure (Walsh COP-021)

PROJECT: Town of Lyons - Bohn Park (Phase 2)

OWNER: Town of Lyons, Colorado  
Tracy Sanders

CONTRACTOR: Walsh Construction Inc.  
Brian Becker

### DESCRIPTION OF MODIFICATION

At the direction of the Town, the original plan design for the Pump Station Intake Structure was modified to more closely match the design at the nearby LMJ Diversion Structure. The modification included adding 2" galvanized grating on the top and front face of the structure and angled hinged trash/debris rack. These modifications were necessary to help control the amount of trash and debris entering the structure and to assist with long term maintenance costs. Since this was a specialized and custom design, the cost for materials and labor was found to be fair and reasonable when compared with average material cost data found on websites with similar dimensional and material properties. Labor rates were compared with 2020 Davis Bacon standard wage rates for Boulder County, Colorado and industry standard rates for specialized drafting. As a result of this revision, the Town will receive a material credit for cost of the 2'x2' grate that was included in the original plan design but was not installed due to the revised modifications. This amount will be paid as a Contract Amendment. See attached documents and related plan sheets for breakdown of costs.

"General Decision Number: C020200002 01/31/2020

Superseded General Decision Number: C020190002

State: Colorado

Construction Type: Heavy

Counties: Adams, Arapahoe, Boulder, Broomfield, Denver, Douglas, El Paso, Jefferson, Larimer, Mesa, Pueblo and Weld Counties in Colorado.

#### HEAVY CONSTRUCTION PROJECTS

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.80 for calendar year 2020 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.80 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2020. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at [www.dol.gov/whd/govcontracts](http://www.dol.gov/whd/govcontracts).

## MINOR CONTRACT REVISION

Project No. PW20E

Contract Amendment No. 6

Date: 5/20/2020

CMO TITLE: Trail Gates for Vehicular Access (Walsh COP-022)

PROJECT: Town of Lyons - Bohn Park (Phase 2)

OWNER: Town of Lyons, Colorado  
Tracy Sanders

CONTRACTOR: Walsh Construction Inc.  
Brian Becker

### DESCRIPTION OF MODIFICATION

At the request of the Town, 2 sets of additional Trail Gates were added at the north entrance to Bohn Park in order to limit vehicular access to the park from the north entrance, while maintaining 2nd Street access for pedestrians using the adjacent sidewalk and crusher fines paved trail. To help offset cost for this revision, the Town received a cost credit for material that was deleted from the original plan design, which included a 10' length Heavy Duty Tube Gate and 4x4 posts that were not installed at either location. The cost for materials was found to be fair and reasonable when compared with average material cost data found on websites with similar dimensional and material properties. Labor rates met the minimum requirements of 2020 Davis Bacon standard wage rates for Boulder County, Colorado and industry standard rates for specialized drafting. This amount will be paid as a Contract Amendment. See attached documents and related plan sheets for breakdown of costs.

### Contract Amendment Summary (To Date)

Previous Contract Amendments :	\$179,296.11
COP 19 Sum(This Amendment):	\$3,048.39
Contract Amendment Total:	\$182,344.50

Construction Type: Heavy

Counties: Adams, Arapahoe, **Boulder**, Broomfield, Denver, Douglas, El Paso, Jefferson, Larimer, Mesa, Pueblo and Weld Counties in Colorado.

HEAVY CONSTRUCTION PROJECTS

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.80 for calendar year 2020 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.80 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2020. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at [www.dol.gov/whd/govcontracts](http://www.dol.gov/whd/govcontracts).

## Treated Fence Posts & Rails

### Pressure Treated Wood Fencing

These wood posts and poles are all pressure treated with MCA (Micro Copper Azole) wood preservative for ground contact.

The treatment protects the wood against decay and wood-destroying insects. The chemicals leave the wood a light green color. Post diameter indicates the measurement at the small end of the post or minimum diameter.

Galvanized or stainless steel fasteners are recommended for use in preserved wood. Do not use treated wood in direct contact with aluminum. Ask for a **Safe Handling Information Sheet**

Material for original plan design

## Square Posts & Poles

Pressure treated squares 10' and longer are number 2 & better incised Hem/Fir. This wood has been pressure treated with MCA or CA-C chemical. Treating specifications and timber species are variable at this time, inquire for details. Our 8' long squares are Ponderosa pine treated for ground contact. Shop around and then come and see the best square posts available.

MINOR CONTRACT REVISION

Contract Amendment No. 6

Change Order No. 12

Project No. PW20E

Date: 4/10/2020

CMO TITLE: Stilling Well, Piping and Restoration (Walsh COP-023)

PROJECT: Town of Lyons - Bohn Park (Phase 2)

OWNER: Town of Lyons, Colorado  
Tracy Sanders

CONTRACTOR: Walsh Construction Inc.  
Brian Becker

DESCRIPTION OF MODIFICATION

The original plan design for the Irrigation Pumping System showed installation of a 5' ID Precast Stilling Well and approx. 148Lf of 18" Class 200 PVC Intake Piping to be installed during Phase 1 construction. Due to amendments to the contract by the Town of Lyons and changes in the contract schedule, work on this item was revised to completion during Phase 2 construction. This change required the contractor to purchase and install the 5' ID Precast Stilling Well and 18" Intake Piping during Phase 2 construction and the cost for these items was not included in the original bid schedule or as part of the original scope of work. The cost for materials and labor was found to be fair and reasonable when compared with cost data found on websites with similar dimensional and material properties, 2019 Davis Bacon minimum wage rates for Boulder County, CO. and resulted in a total overall cost savings of \$1,186.83. (see attachment #2 for cost comparisons).The cost total for this revision will be paid as a Contract Amendment #6. See attached documents for overall break out of costs.

Contract Amendment Summary (To Date)

Previous Contract Amendments :	\$179,296.11
COP 21 Sum(This Amendment):	\$25,546.29
Revised Contract Amendment Total:	\$204,842.40

# MUNICIPAL PRODUCT SPECIFICATION

## AWWA C900/IB PVC Pressure Pipe | Gasketed Integral Bell

NAPCO's AWWA C900 Gasketed Integral Bell PVC Pipe product line is manufactured to meet the needs of modern municipal water, wastewater, and reclaimed water systems. With top quality raw materials and modern processing technology, our C900 pipe meets all industry standards in addition to our own rigorous quality control requirements.

Our C900 pipe utilizes Rieber style gaskets throughout the entire product offering to create a leak-free joint.

Short Form Specification	
Pipe Standard:	AWWA C900-16
Diameter Std.:	Cast Iron Outside Diameter (CIOD)
Nominal Sizes:	4", 6", 8", 10", 12", 14", 16", 18", 20", 24", 30", 36"
Dimension Ratios & Pressure Ratings†	DR 51 – 80 psi DR 41 – 100 psi DR 32.5 – 125 psi DR 25 – 165 psi DR 21 – 200 psi DR 18 – 235 psi (185 psi)** DR 14 – 305 psi (250 psi)**
Lay Length:	20' [6.1m]
Pipe Compound:	ASTM D1784 Cell Class 12454
Pipe Joint Std.:	ASTM D3139
Max. Angular Joint Deflection:‡	1°
Gasket Standard:	ASTM F477, UL 157
Gasket Material Offerings:	Standard – SBR Optional – NBR or EPDM
Installation Std.:	AWWA C605

18" C900 PVC Piping

Applications	Potable Water	Waste-water	Reclaimed Water
Color:	Blue	Green	Purple
Certifications:*	NSF 14, NSF 61 CSA B137.3 UL 1285 FM 1612** BNQ 3624-250 (24in), BNQ 3660-950 (24in)	CSA B137.3	CSA B137.3

\*See Certification Letter for full explanation and list of exceptions.

\*\*FM 1612 calculates pressure ratings differently than AWWA for 4"-12" only with DR 18 as 185 psi and DR 14 as 250 psi.

‡See Installation Guide for more information.

Only products  
bearing the NSF  
Mark are Certified

### Notes:

1. These dimensions are for estimating purposes only. All dimensions not in brackets are in inches unless otherwise specified.
2. Products certified to CSA B137.3 have dimensions in brackets in millimeters unless otherwise specified.
3. DR = Dimension Ratio
4. AWWA and CSA Pressure Class @ 73°F [23°C] which includes a 2:1 safety factor.
5. Internal diameter calculated using nominal outside diameter and minimum wall thickness.
6. Dimension given for Approx. Bell Diameter (BD) is for highest pressure class.

Lyons Power c/o Town of Lyons  
Tracy Sanders

## Re: Bohn Park Pump & Conduit Ext

Scope Statement: Extend the Town of Lyons underground 3Ø primary cable to a 75kVA pad mounted transformer. Includes excavation, PVC, cable, connections and transformer installation. In addition upon Lyons inspection, N Line will connect all low voltage conductors installed by others and install the electric meter housing and meter. N Line will trench the 70' & connect the conduit for transformer.

- \$10,256.25 Labor
- \$3,772.21 Equipment
- \$16,898.32 Material

**Customer's Investment if approved..... \$30,926.78**

### Exclusions:

- Materials Pricing Increase – Vendors quotes are valid for 30 days. If the project is awarded in a time frame that requires material price changes, any increases will be passed through.
- Re-seeding / restoration
- De-watering
- Elevation adjustments for Transformer location
- Installation of fiberglass transformer pad
- Permits Local and State
- Premium Time (Weekends and Holidays)

Thank you, for the opportunity to assist you with your Medium Voltage Project. If you have any questions don't hesitate to give me a call at 720-339-4130.

Sincerely,  
Stephanie Powers

Thank you for choosing Artcraft Signs to bid your project. Unless stated our estimated price does not include: Removal of existing signs, permits, electrical hook-up, engineered drawings, sidewalk or street closures nor cost associated. Price is based on normal hours of operation. After hours work will incur additional charges. It is based on un-obstructed access to work for our personnel, trucks, and equipment. Any electrical sign must be hooked up by a licensed electrician. If engineer drawings are required, price for sign and installation are both subject to change once drawings are completed. Any inspections required by the city municipality from which the permit was issued are subject to additional charges for labor plus the cost of any equipment needed for the inspection. If we must penetrate a roof membrane during installation, any repair to be arranged and completed by others at owners or tenants' expense. We are a UL listed shop. We will not install any signs supplied nor any that have been removed and to be re-installed that are not listed. It may be possible to bring signs up to meet UL standards at a cost to be determined, agreed to, and paid for by the responsible party before this additional work is done. Unless stated: Pricing is good for 30 days. Terms are: Net 30 for established accounts with good credit. First job is 50% down with balance C.O.D. unless prior arrangements have been made. Artcraft Signs expressly disclaims any warranty or representation of ADA compliance either stated or implied and disclaims any liability under the Americans with Disabilities Act. Warranty: One (1) year for workmanship and material with exception of Electrical. Electrical is (90) days. We Propose to furnish material and labor, complete, in accordance with the above specifications, for the sum, or sums as noted above. The Purchaser agrees to pay collection cost and attorney fees if placed for collection. All material is guaranteed to be as specified; all work will be completed in a workmanship like manner according to standard practices. No change or modification of the proposal shall be made unless it is done in writing and with mutual consent of all parties involved. All agreements contingent upon strike, accidents or delays beyond our control. Owner to carry fire, tornado and other necessary insurance. Our workers are fully covered by worker's compensation insurance. There are no warranties either express or implied other than those specifically stated in the agreement.

Amendment 7**

## TOWN OF LYONS, COLORADO

### SEVENTH AMENDMENT TO CONSTRUCTION AGREEMENT

Project Name: 20E-2 Bohn Park Phase II

This SEVENTH AMENDMENT TO CONSTRUCTION AGREEMENT ("SEVENTH Amendment") is made and entered into on the date upon which it is mutually executed by the Parties (the "Effective Date"), by and between the TOWN OF LYONS, COLORADO, a municipal corporation of the State of Colorado, with offices at 432 5th Avenue, Lyons, Colorado 80540 (the "Town"), and WALSH CONSTRUCTION, INC., a Colorado corporation whose address is 8135 Open View Place, Loveland, Colorado 80537 (the "Contractor"). The Town and the Contractor may be referred to collectively as the "Parties" and each individually as "Party".

#### WITNESSETH

**WHEREAS**, pursuant to Resolution 2017-146A, the Town and Contractor entered into that certain Construction Agreement dated December 5, 2017 ("Original Agreement") for Contractor to provide construction work for the Lyons Bohn Park Flood Recovery Project, Phase II (No. PW: 20E-2) as specified in the Contract Documents ("Project"), for a not-to-exceed cost of **TWO MILLION SIX HUNDRED FIFTY-FOUR THOUSAND FIFTY- TWO DOLLARS AND FIFTY CENTS (\$2,654,052.50)**.; and

**WHEREAS**, Section 5.00 of the Original Agreement permits the Town to adjust the Contract Price, and Section 7.00 of the Original Agreement requires that the Town pay for work beyond that described in the Original Agreement in a separate agreement signed by both the Parties prior to the commencement of the additional work; and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **First Amendment** to the Original Agreement dated October 22, 2018 to extend the contract term to September 1, 2019 at no increase to the contract amount; and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **Second Amendment** to the Original Agreement dated April 19, 2019 to account for the project being put on hold due to environmental compliance and in order to remobilize at an adjusted fair market value and to add additional scope of work including the half pipe and Skate Plaza for an increase to the contract amount by **ONE HUNDRED ELEVEN THOUSAND SIX HUNDRED TWENTY FIVE DOLLARS AND SIXTY-THREE CENTS (\$111,625.63)**; and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **Third Amendment** to the Original Agreement dated September 16, 2019 to extend the contract substantial completion date through December 31, 2019 at no increase to the contract amount; and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **Fourth Amendment** to the Original Agreement dated November 18, 2019 to extend the contract substantial completion date through May 30, 2020 at no increase to the contract amount; and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **Fifth Amendment** to the Original Agreement dated April 20, 2020 for additional materials to meet the 2015 building code adopted by the Town of Lyons in 2018, and to increase the size of the infield at an increase to the contract amount by **FIFTY-NINE THOUSAND TWO HUNDRED NINE DOLLARS AND TWENTY CENTS (\$59,209.20)**; and

**WHEREAS**, pursuant to the amendment provisions of the Original Agreement, the Parties entered into that certain **Sixth Amendment** to the Original Agreement to extend the contract end date to August 1, 2020 due to construction delays at no increase to the contract amount; and

**WHEREAS**, the Contractor requires another amendment to the Agreement for additional scope for a concrete dugout; intake structure; trail gates and fence entrance; a still well, piping and restoration; electrical for the pump house, and the construction of an interpretive sign and has submitted Change Order Proposals for a total increased amount of **SEVENTY-SIX THOUSAND NINE HUNDRED FORTY-FIVE DOLLARS AND SEVENTY-SIX CENTS (\$76,945.76)** as outlined in the Fee Schedule in **Exhibit A** for a new total not-to-exceed contract amount of **TWO MILLION NINE HUNDRED ONE THOUSAND EIGHT HUNDRED THIRTY-THREE DOLLARS AND NINE CENTS (\$2,901,833.09)** ("**Seventh Amendment**");

**NOW, THEREFORE**, for sufficient consideration, it is agreed by and between the Town and the Contractor that the Original Agreement, shall be amended as follows:

1. **Recitals.** The foregoing recitals are true and correct and are incorporated herein by this reference as though set forth in full.
2. **Original Terms and Conditions.** Except as amended herein, the original terms and conditions of the Agreement remain in full force and effect.
3. **Scope of Work.** The Original Agreement is hereby amended by adding the documents that indicate the correct quantities and costs for the Project as set forth specifically in documents attached hereto as **Exhibit A – Fee Schedule** to this Second Amendment and incorporated herein by reference.
4. **Contract Sum and Payment.** The first sentence of Section 5.00 of the Original Agreement entitled "Contract Sum and Payment" is hereby amended to read in full as follows:

The Owner shall pay to the Contractor for performance of the Work encompassed by this Agreement, and the Contractor will accept as full compensation therefore the not-to-exceed sum of **TWO MILLION NINE HUNDRED ONE THOUSAND EIGHT HUNDRED THIRTY-THREE DOLLARS AND NINE CENTS (\$2,901,833.09)** subject to adjustment as provided by the Contract Documents ("Contract Price").

5. **Term.** There is no change to the term of the contract with this amendment.
6. **Force and Effect of Amendment.** Notwithstanding anything in the Original Agreement to the contrary, the Original Agreement shall be amended such that all references in the Original Agreement to "Agreement" shall refer to the Original Agreement as amended by this Seventh Amendment.
7. **Conflict.** This Seventh Amendment is and shall be construed as part of the Original Agreement. In case of any inconsistency between this Seventh Amendment and the Original Agreement, the provisions containing such inconsistency shall be reconciled with one another to the maximum extent possible, and then to the extent of any remaining inconsistency, the terms of this Seventh Amendment shall control.
8. **Counterparts; Facsimile or Electronic Signature; Authority.** The Parties hereto agree that this Seventh Amendment may be executed in multiple counterparts which, when signed by all parties, shall constitute a binding agreement. The Parties further agree that this Seventh Amendment may be executed by facsimile or electronic signature, and that any facsimile or electronic signature shall be binding upon the Party providing such signature as if it were the Party's original signature.

**IN WITNESS WHEREOF,** the Parties have executed this Seventh Amendment to the Construction Agreement, to be effective as of the date of mutual execution by the Parties. By the signature of its representatives below, each Party affirms that it has taken all necessary action to authorize said representative to execute this Seventh Amendment.
