## WE'RE LOOKING FOR INSTRUCTORS

Do you have knowledge of a particular subject or skills you would like to share with others? Perhaps a hobby that you would love to teach to Lyons folks? Whatever it might be, we're in search of new class offerings. We're also looking for a summertime tennis instructor, toddler class instructor, and instructors for hula hoop/jump roping classes (outdoors), and someone who would like to organize an adult sand volleyball league. Please call Lyons Parks and Recreation (303) 823-8250 or e-mail [llegault@townoflyons.com](mailto:llegault@townoflyons.com) to find out more about teaching a class or classes for Lyons Parks and Recreation.

## BE A GOOD NEIGHBOR

With winter upon us, remember commercial and residential sidewalks are required to be cleared within 24 hours after a snowstorm.

## GARDEN IN A BOX PROGRAM

Lyons water utility customers can once again take part in the Garden in a Box program – a water-wise, pre-planned garden of native plants offered by ReSource Central.

This year, 20 discounts of \$25 on each Garden in a Box are available to Lyons water utility customers.

Last year's discounts went quickly. Beginning March 1, interested residents can add their name to the pre-sale list to be notified when the gardens go on sale. Go to [toresourcecentral.org/gardens/shop](http://toresourcecentral.org/gardens/shop) and choose the highlighted text in the first paragraph.

After the discounts are gone, both Town of Lyons residents and anyone living in unincorporated Boulder County can still order the gardens at the normal, undiscounted price.

The gardens are a selection of six professionally designed perennial, xeric gardens that include 14-30 starter plants, a comprehensive plant and care guide and up to three plant-by-number maps for each garden type. Prices range from \$110 to \$171, depending on the number of plants and square feet of coverage. The gardens go on sale March 1 and will be available for pickup in mid-May.
