FALL CLEANUP TIPS

During the fall season it's important to take some steps to get your home ready for the upcoming winter season. And as the leaves begin to fall, remember to be a courteous neighbor and remove the leaves from your property. Please do not blow or rake leaves into the streets. This can clog street drains, which compromises the Town's stormwater system.

Ideas for leaf clean up:

Mulch your leaves. Add a layer of leaves to your garden beds to add protection from the cold, wet weather and you'll have healthier plants in the springtime.

Make your own compost. Pile up the leaves in a place where they will be undisturbed over the winter and they will become rich compost by springtime next year.

In addition to excess leaves, fall brings cooling temperatures. Make sure to winterize your sprinkler system with an end of season blow out. If you're not sure how, ask a local landscaper to help— you'll avoid much costlier repairs in the long run.

FALL LEAVES

Please do not blow or rake leaves into the streets. This can clog street drains, which compromises the Town's stormwater system. Instead, bag leaves or mulch them for compost.

DRUG TAKE-BACK DAY

The National Prescription Drug Take-Back Day is Saturday, Oct. 26, from 10 a.m. to 2 p.m.. Unused or expired medication can be safely disposed of at the Boulder County Sheriff's Substation in Lyons, 430 Park Ave. Please do not flush unused, unwanted, and expired medications down the toilet or put them in drains!

Although flushing medication was a common practice used in the past, new studies show that prescription and over-the-counter drugs are not completely removed when passing through waste water treatment plants. Harm to marine and plant life can be caused by improper disposal.

Sharps and chemo medication will not be taken at this location. Drug abuse isn't just about street drugs, over-the-counter medication are the most commonly abused drugs in the U.S. Keeping expired or unused medication can lead to accidental drug overdose by children drug abuse, theft and illegal distribution. Keep your family safe.
