2012 Lyons Outdoor Games

Lyons, Colorado – The Oskar Blues born Burning Can Beer Fest is back for round two and they're teaming up with Lyons Outdoor Games to bring you everything craft beer in a CAN offers: fresh, earth-friendly beer in a portable container that takes you to your next soul-saving outdoor adventure. As Dale's Pale Ale approaches its tenth year, Oskar Blues invites all beer lovers to celebrate the REVOLUTION of big-flavored craft beers served up in cans in their hometown of Lyons, CO. Set amidst the backdrop of beautiful Rocky Mountain National Park in Bohn Park on June 9th, 2012, Burning Can adds a national craft beer twist to the world class events of the Lyons Outdoor Games.

Burning Can offers samples of canned craft beer from 25+ innovative breweries across the country jammed in the middle of live music, food trucks, the all-new Burning Can 5K Fun Run, Dog Events, and the Vitaminwater Dirt Jump Jam as world class kayakers are running the river. Now in its 11th year, the multi-sport competition of the Lyons Outdoor Games has grown into a world-class celebration of mountain sports drawing heavy hitters from the outdoor industry over three days from June 8th to 10th.

"The Lyons Outdoor Games attract world-class athletes but also offer many opportunities for beginner and intermediate athletes to learn and develop skills under the downhome, grassroots feel of Lyons, CO." says Dave Cosgrove, Lyon's Park and Recreation Director. The South Saint Vrain creek is the definition of steep, manky, roadside class V+ for boaters in Colorado and has become the stage for the renowned Adam Barron Memorial Creek race. This race is the highlight of the Lyons Outdoor Games kayaking events providing world class athletes an opportunity to "sack up". Tao Berman is a reigning two-time champion, while World champion Scott Shipley is determined to dethrone the king and ward off the young guns thinking they're up to the task.

In addition to kayaking and biking, the Games offer events for fly fishing, kids, runners and even dogs (yep, there are two dog events – the K9 Cannonball & K9 Speed Retriever!). On Saturday, June 9th, is the Burning Can 5K Fun Run, a jump-start-your-day running race around town that puts you right where you want to end up – at the beer fest!

What would a CANNED beer festival at an outdoor-sports celebration be without recycling? Green Girls Recycling, based out of Boulder, has signed up to be our official recycling team. All money raised from Lyons Outdoor Games recycled cans will be donated to our beneficiaries. Canned craft beer has many benefits including defending beer from the damages of sunlight, an air-tight seal that allows less oxygen into the beer creating a fresher tasting beverage. Aluminum cans are infinitely recyclable and are lighter to ship, reducing the environmental impact. Last, but not least, you can take CANNED beers where your next soul-saving adventure takes you including places where glass isn't allowed and where you need to "pack it in, pack it out."

Oskar Blues will feature live music all weekend at their Grill & Brew location including a soon to be named big act for Sunday. All proceeds from the event go to the Lyons Parks & Recreation and the Colorado Brewers Guild, two groups that embody the soul of Oskar Blues. The Colorado Brewers Guild is a key player in the continued growth and celebration of Colorado's craft beer industry. Lyons Outdoor Games is a tribute to the sports of the great outdoors.

For a full list of events visit: www.lyonsoutdoorgames.com. Tickets are \$25 in advance, \$30 day of. Receive \$5 off of the day-of ticket price if you ride your bike to the festival as Bicycle Longmont will be providing bike valet.

Marimba Camp

These marimba camps, being offered by music teacher Matt Wasowski, are a unique opportunity for young and aspiring percussionists to study music in a small group setting, on their own instrument. The marimba is one of the oldest instruments in the world, having been played in different forms by various cultures around the planet. The instrument has its roots in Africa, but has a place in musical genres from Zimbabwe to Central America. The focus of these week-long sessions will be African marimba music from countries such as Zambia, Congo, South Africa and Zimbabwe. Each camp will be followed by early evening performances at The Stone Cup. For more information please contact Mr. Matt Wasowski at noodlekudzi@yahoo.com.
