

Lyons Fire Protection District Open House

Lyons Station 1, 251 Broadway, Lyons CO
Saturday, June 26th 1pm-3:30pm

Lyons Fire Protection District welcomes the local community and neighboring agencies to an Open House.

Come meet our new Fire Chief Peter Zick, enjoy some food and drinks, and get a “hot shot” photo of your pet with a fire truck!

We'll also have live local music with Joe Kuckla.

Local photographer Kristina Rusch (www.kristinarusch.com) will be taking JPG file photos of your pets with a fire truck or firefighters, which you'll then have emailed to you. Time slots for “hot shots” will be in 15 minute increments. Please click [HERE](#) to reserve a photo spot for June 26th!

Donations are welcome, not required.

For additional information, please reach out to publicinformation@lyonsfire.org

We look forward to seeing you there!
