

EcoPass Going Mobile

Say goodbye to your old green passes, RTD is transitioning to the MyRide App

1

Download the RTD MyRide App. You can scan the QR code or visit the Apple App Store or Google Play Store.

2

Create a new account. Be sure to use the same email address that the Town of Lyons used to contact you.

- This process can be started by clicking on the "Account" tab in the app
- Note that every individual will need their own email address to make an account (**youth under the age of 19 are free to ride through August of 2024**)

3

Set up a Barcode in the MyRide app:

- Click MyRide on the home page
- Click "Get Started" in the "Your Active Tokens" section
- Select "With a MyRide Barcode"
- Once you've named and created your MyRide barcode it will appear on the front page of your app (*no need to add funds*)
- You will receive a verification email once the Town of Lyons confirms your pass and you are ready to start riding!

Don't have a pass already?

If you are not a current EcoPass holder or if you have not received an email from town, please stop by Lyons Town Hall with a **photo ID** and **proof of residency** to sign up for our EcoPass program. For any questions concerning MyRide App set up, please contact Town Hall at **(303) 823-6622 ext 35** or email us at kmitchell@townoflyons.com
