FOR OFFICE USE - Floodplain Development Permit Number

### Certification

This document is to certify that I am a duly qualified engineer licensed to practice in the State of Colorado. It is to further certify that the attached technical data supports the fact that proposed (*Name of Development*) \_\_\_\_\_ will not impact the base flood elevations, floodway elevations, and floodway widths on (*Name of Stream*) \_\_\_\_\_ at published cross sections in the Flood Insurance Study for Town of Lyons, dated \_\_\_\_\_ and will not impact the base flood elevations, floodway elevations, and floodway widths at the unpublished cross-sections in the area of the proposed development.

*Note: Definitions of terms base flood, development, and regulatory floodway are same as those included in Title 44 of the Code of Federal Regulations, Section 59.1. Additional regulations pertaining to this certification are described in Title 44 of the Code of Federal Regulations, Section 65.3.*
