## GENERAL DISCUSSION/TOPICS

At the [April 7 meeting](#), the BOT had several public hearings, as noted earlier. During general business, the BOT gave direction to staff regarding moving forward with updates and changes to the Town's General Offenses in the Lyons Municipal Code and to bring forward to the BOT for consideration at a public hearing in May. The BOT also directed staff to draft an introduction for the Boulder County IGA to include a narrative description of what Lyons is looking for and to get any county input on the redline changes.

During the [April 21 BOT meeting](#), the BOT directed staff to draft an updated noise ordinance to bring to the BOT. They also would like staff to purchase a decibel reader, and to set up a baseline testing and framework for measurement. They would like sound issues to be measured at the receiving property and were proponents of having a good neighbor program.

In addition, the BOT asked staff to set up a public town meeting on May 14, 2025 for community input regarding the most recent updates to the Boulder County IGA.
