The voter-approved 0.5% sales tax dedicated to infrastructure and capital projects has generated \$239,021 to date for FY 2025.

GENERAL DISCUSSION/TOPICS

During the January 5, 2026 meeting, the BOT discussed a potential downtown demolition moratorium and reached consensus on a hybrid approach, directing staff to develop a 45-day pause focused on education, evaluation, and defining affected areas, structures, and incentives. The Board also directed staff to draft termination of the Town's relationship with the Boulder Community Foundation in favor of the Longmont Community Foundation for the Mental Health and Wellness Fund, and requested follow-up on limb pickup options and funding after recent storms.

For the January 20, 2026 meeting, the BOT considered [a request for a water tap and spigot](#) to support the community orchard, funded through a private grant, and approved use of an existing tap at no charge for installation, with water billed at the town rate. The Board also approved planting an additional 14 fruit trees, noting community support, educational benefits, and manageable long-term water needs. The Board discussed sales tax reporting for event venues and directed staff to begin by obtaining a list of regular 2025 vendors and conducting spot checks to assess potential tax leakage before considering any new reporting requirements or ordinances.
